Hi....I just made my reservations a short while ago. I'm taking the 12pm United flight from Newark to San Francisco on Fri, and the 10pm flight from San Francisco back on Mon. I made a reservation at Bay Front, so cheap, \$69 only. Chaminade is \$161, and Dream Inn is \$169, I don't think either should be an issue for the CPG. I'll change my hotel reservation after you and Ed finalize.

Rooni.

Hey there

I still don't know whether I'll get to Santa Cruz -our building still closed- and haven't heard back from EPA's finance department. I told you that Ed and I made reservations at the Bay Front Inn -hotel closest to SEI -.

Apparently the Dream Inn, is also close and very nice but doesn't offer Gov rate, so that's a no-no for us. But if you have the budget, Jason highly recommended it.

The Chaminade Resort (very nice) offers Federal rate, so we may move to that one. It's in the mountains and 5 miles from SEI -I have no idea about traffic there. But I need to confirm that I have a plane ticket before I make more hotel reservations.

How about you, any updates?
